Finding A Right Way Of
Earn Money?**

What is an Affiliate Marketing ?

Affiliates

Affiliates are partners who promote products or services for a commission, facilitating businesses to expand their reach and sales through external networks.

Promote

Promote means to actively advertise, endorse, or publicize a product, service, or idea to increase its visibility, desirability, or awareness among target audiences.

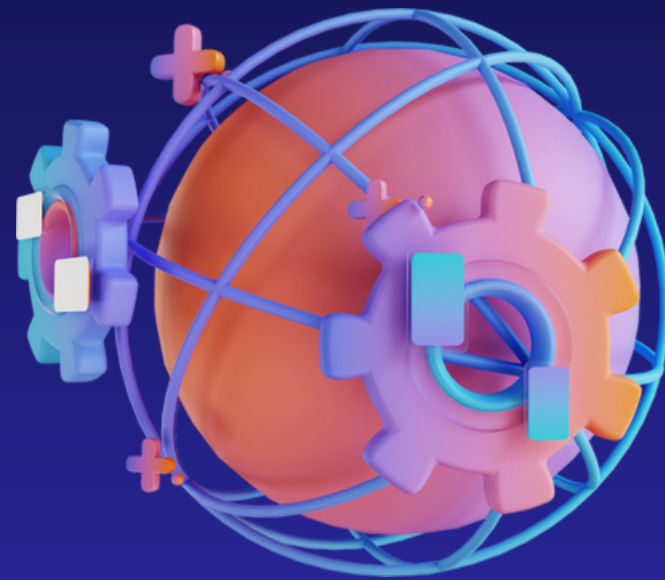

Earn

"Earn" refers to acquiring money or rewards through work, effort, or investment. It can involve receiving a salary, wages, commissions, profits, or other forms of compensation for services rendered or actions taken.
